

IN SOLIDARITY WITH UKRAINE

Warsaw, February 28, 2022

STATEMENT OF REDDEER.GAMES

Declaring war on Ukraine is a scenario that none of us wanted to believe until the last moment. Our team, consisting of the international community, joins the strong condemnation of unjustified Russian aggression against an independent and democratic Ukraine. In these dark hours, we wholeheartedly support the heroic attitude of Ukrainian citizens who resist the unprovoked attack, as well as those who seek refuge with us.

Michał M. Lisiecki and Dominik Czarniga, co-founders of the RedDeer.Games studio, decided to join the #FuckTheWar #SupportUkraine action initiated by **11 bit studios**. Therefore, the entire revenue from the March sale of the game „**Cyber Protocol**”, which was released as the first in the history of our studio, will be donated to a foundation selected together with our Fans to help the inhabitants of the attacked Ukraine.

PURCHASE THE GAME „CYBER PROTOCOL**” AND SUPPORT OUR NEIGHBORS!**

REDDEER.GAMES

RedDeer.Games (RDG) is an independent development studio, present on the gaming market since 2018. The company is a producer and publisher of own indie games and titles from other producers sold around the world in the digital distribution model, via dedicated platforms, in particular Nintendo eShop, Microsoft Store, and STEAM, which are the largest distributors of games and applications in the world.

Combining the expertise of a team of passionate designers, artists, musicians, programmers, and producers, RDG creates fun and addictive indie games. Teaser of games released in the period 2019-2021 available at this link: [VIDEO](#). Currently, the company's portfolio includes nearly 100 contracted titles, all announcements, and games released by RedDeer.Games are available [HERE](#).

The year 2022 is a breakthrough for RDG – at the beginning of the year, a company within its own structure established a dedicated department that will be responsible for the implementation of NFT tokens for titles issued by the studio. Additionally, after two years of operating activity in the indie segment, it plans to expand its competencies in the field of AA | AA+ category game production.
