OPINION OF THE INDEPENDENT AUDITOR

To the General Meeting ENEA S.A.

Opinion on the Separate Financial Statements

We have audited the accompanying separate financial statements of ENEA S.A., with its registered office in Poznań, Górecka Street 1 ("the Company"), which comprise the separate statement of financial position as at 31 December 2013, the separate statement of profit or loss and other comprehensive income, the separate statement of changes in equity and the separate statement of cash flows for the year then ended and notes comprising a summary of significant accounting policies and other explanatory information.

Management's and Supervisory Board's Responsibility for the Financial Statements

Management of the Company is responsible for the accuracy of the accounting records and the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, as adopted by the European Union and with other applicable regulations and preparation of the report on the Company's activities. Management of the Company is also responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

According to the Accounting Act dated 29 September 1994 (Official Journal from 2013, item 330 with amendments) ("the Accounting Act"), Management of the Company and members of the Supervisory Board are required to ensure that the financial statements and the report on the Company's activities are in compliance with the requirements set forth in the Accounting Act.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements and whether the financial statements are derived from properly maintained accounting records based on our audit. We conducted our audit in accordance with section 7 of the Accounting Act, National Standards on Auditing issued by the National Council of Certified Auditors and International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements and the accounting records from which they are derived are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management of the Company, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the accompanying separate financial statements of ENEA S.A. have been prepared and present fairly, in all material respects, the unconsolidated financial position of the Company as at 31 December 2013 and its unconsolidated financial performance and its unconsolidated cash flows for the year then ended, in accordance with International Financial Reporting Standards as adopted by the European Union, are in compliance with the respective regulations and the provisions of the Company's articles of association that apply to the Company's separate financial statements and have been prepared from accounting records, that, in all material respects, have been properly maintained.

Specific Comments on Other Legal and Regulatory Requirements

Report on the Company's Activities

As required under the Accounting Act, we report that the report on the Company's activities includes, in all material respects, the information required by Art. 49 of the Accounting Act and by the Decree of the Ministry of Finance dated 19 February 2009 on current and periodic information provided by issuers of securities and the conditions for recognition as equivalent information required by the law of a non-Member State (Official Journal from 2009 No. 33, item 259 with amendments) and the information is consistent with the financial statements.

3. Detailed report

3.1. Accounting system

The Company maintains current documentation describing the applied accounting principles adopted by the Management Board to the extent required by Art. 10 of the Accounting Act.

During the audit of the separate financial statements, we tested, on a sample basis, the operation of the accounting system.

On the basis of the work performed, we have not identified any material irregularities in the accounting system, which have not been corrected and that could have a material effect on the separate financial statements. Our audit was not conducted for the purpose of expressing a comprehensive opinion on the operation of the accounting system.

The Company performed a physical verification of its assets in accordance with the requirements and time frame specified in Art. 26 of the Accounting Act, and reconciled and recorded the result thereof in the accounting records.

3.2. Notes to the separate financial statements

All information included in the notes to the separate financial statements, comprising of a summary of significant accounting policies and other explanatory notes, is, in all material respects, presented accurately and completely. This information should be read in conjunction with the separate financial statements.

3.3. Report on the Company's activities

The report on the Company's activities includes, in all material respects, information required by Art. 49 of the Accounting Act and by the Decree of the Ministry of Finance dated 19 February 2009 on current and periodic information provided by issuers of securities and the conditions for recognition as equivalent information required by the law of a non-Member State (Official Journal from 2009 No 33, item 259 with amendments) and the information is consistent with the separate financial statements.
